

NYONJEE ZEOGAR

FULL-STACK
DEVELOPER

ABOUT ME

My name Nyonjee Zeogar born and raised in Minneapolis, Mn. I'm a Full Stack Developer with 3+ years of hands on experience designing, developing, and implementing applications and solutions using a range of technologies and programming languages. I am currently seeking to apply my experiences in a challenging role as a Full Stack Developer.

WORK EXPERIENCE

Wordpress Developer

Groundworks | Remote

Contract| Sept. 2022 - Mar. 2023

- Developed custom blocks for the WordPress Gutenberg editor to enhance content management and user experience, with a focus on creating a headless CMS for improved flexibility and scalability.
- Successfully migrated the codebase from WP Engine to WPVIP, ensuring a seamless transition and optimization of website performance and security.
- Established a mono repo to integrate a new problem sign step into an existing online booking React app, enhancing the overall functionality and user experience.
- Refactored the online booking React app, initially built using Vanilla js, to incorporate TypeScript for better type safety, code maintainability, and development efficiency.

Wordpress Developer/ Project Manager

Ramsey County Sheriff's Office | St. Paul, MN

Contract| Apr. 2021 - Apr. 2022

- Consulting with internal stakeholders to determine the website's desired appearance and functionalities.
- Conceptualizing the website design process and lead the Wordpress (Divi) development team.
- Developed user-friendly and visually appealing interfaces, and performing SEO procedures.
- Integrating images, embedding videos, and added plugins.
- Troubleshooting and testing prototypes, as well as monitoring the live deployment of the product
- Performed Common Gateway Interface (CGI) and code checks to optimize website performance.
- Provided mentorship to developers using Divi and facilitating suitable interventions to deliver the project on time and within budget.
- Documenting website development processes and procedures.
- Preparing project progress updates for senior executives and performing website demonstrations.
